

Impact

Lavoriamo per portare
impatto sociale positivo.
We work to bring positive
social impact.

Tools

Utilizziamo co-design, tecnologia
e manifatture digitali.
We use co-design, technology
and digital manufacturing.

Objectives

Crediamo nella transizione partecipata,
non nel soluzionismo.
We believe in participatory transition,
rather than solutionism.

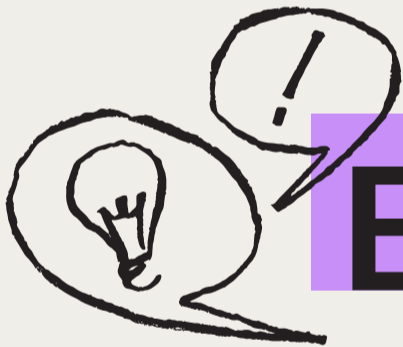

Participation

Attiviamo persone e comunità.
We activate people and communities.

We design together

Empowerment

Offriamo formazione e strumenti open source.
We offer learning opportunities and open source tools.

Networks

Siamo parte di reti globali e locali
di partner.
We are part of global and local networks
of partners.

Futures

Immaginiamo futuri desiderabili,
progettati per tutti e per ciascuno.
We imagine desirable futures, designed
for everyone and for each individual.

OpenDot Manifesto

We believe in shared innovation
